TOTALDesign®, freedom to chose

Our designs offer the most updated style and solutions, creative concepts for the possible environments as well as the unthinkable ones.

The new trends demand suitable solutions for innovative technics. Without dismissing the result of the visual effect.

Our panelling system submits to the current market and lets you create amazing atmospheres that achieve the big challenges of imagination.

Climbing to the top, beyond the limits with freedom. Your choice is a question of time.

“The principle of art is to experiment, not to explain”

Camilo Sitte.

TOTALDesign®, libertad de elección

Diseños que consiguen soluciones vanguardistas, conceptos creativos para todos los espacios posibles. Y para los imposibles.

Las nuevas tendencias exigen soluciones innovadoras técnicas y estéticas. Nuestro sistema de paneles responde a las nuevas demandas, y permite proyectar ambientes singulares, para estar a la altura de los grandes retos de la imaginación.

Combinar hasta el infinito, traspasar los límites con libertad. La elección es cuestión de tiempo.

“En principio el arte no debe explicarse, debe experimentarse”

Camilo Sitte.

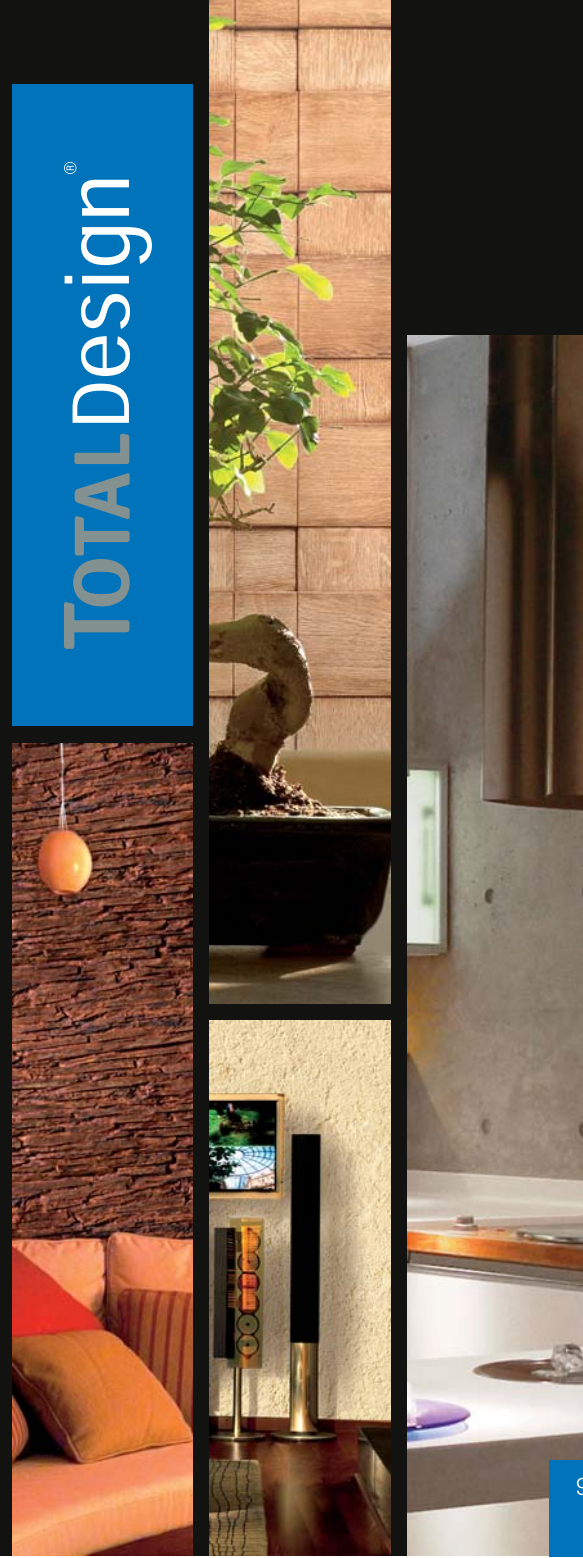

PANELS | PANELES

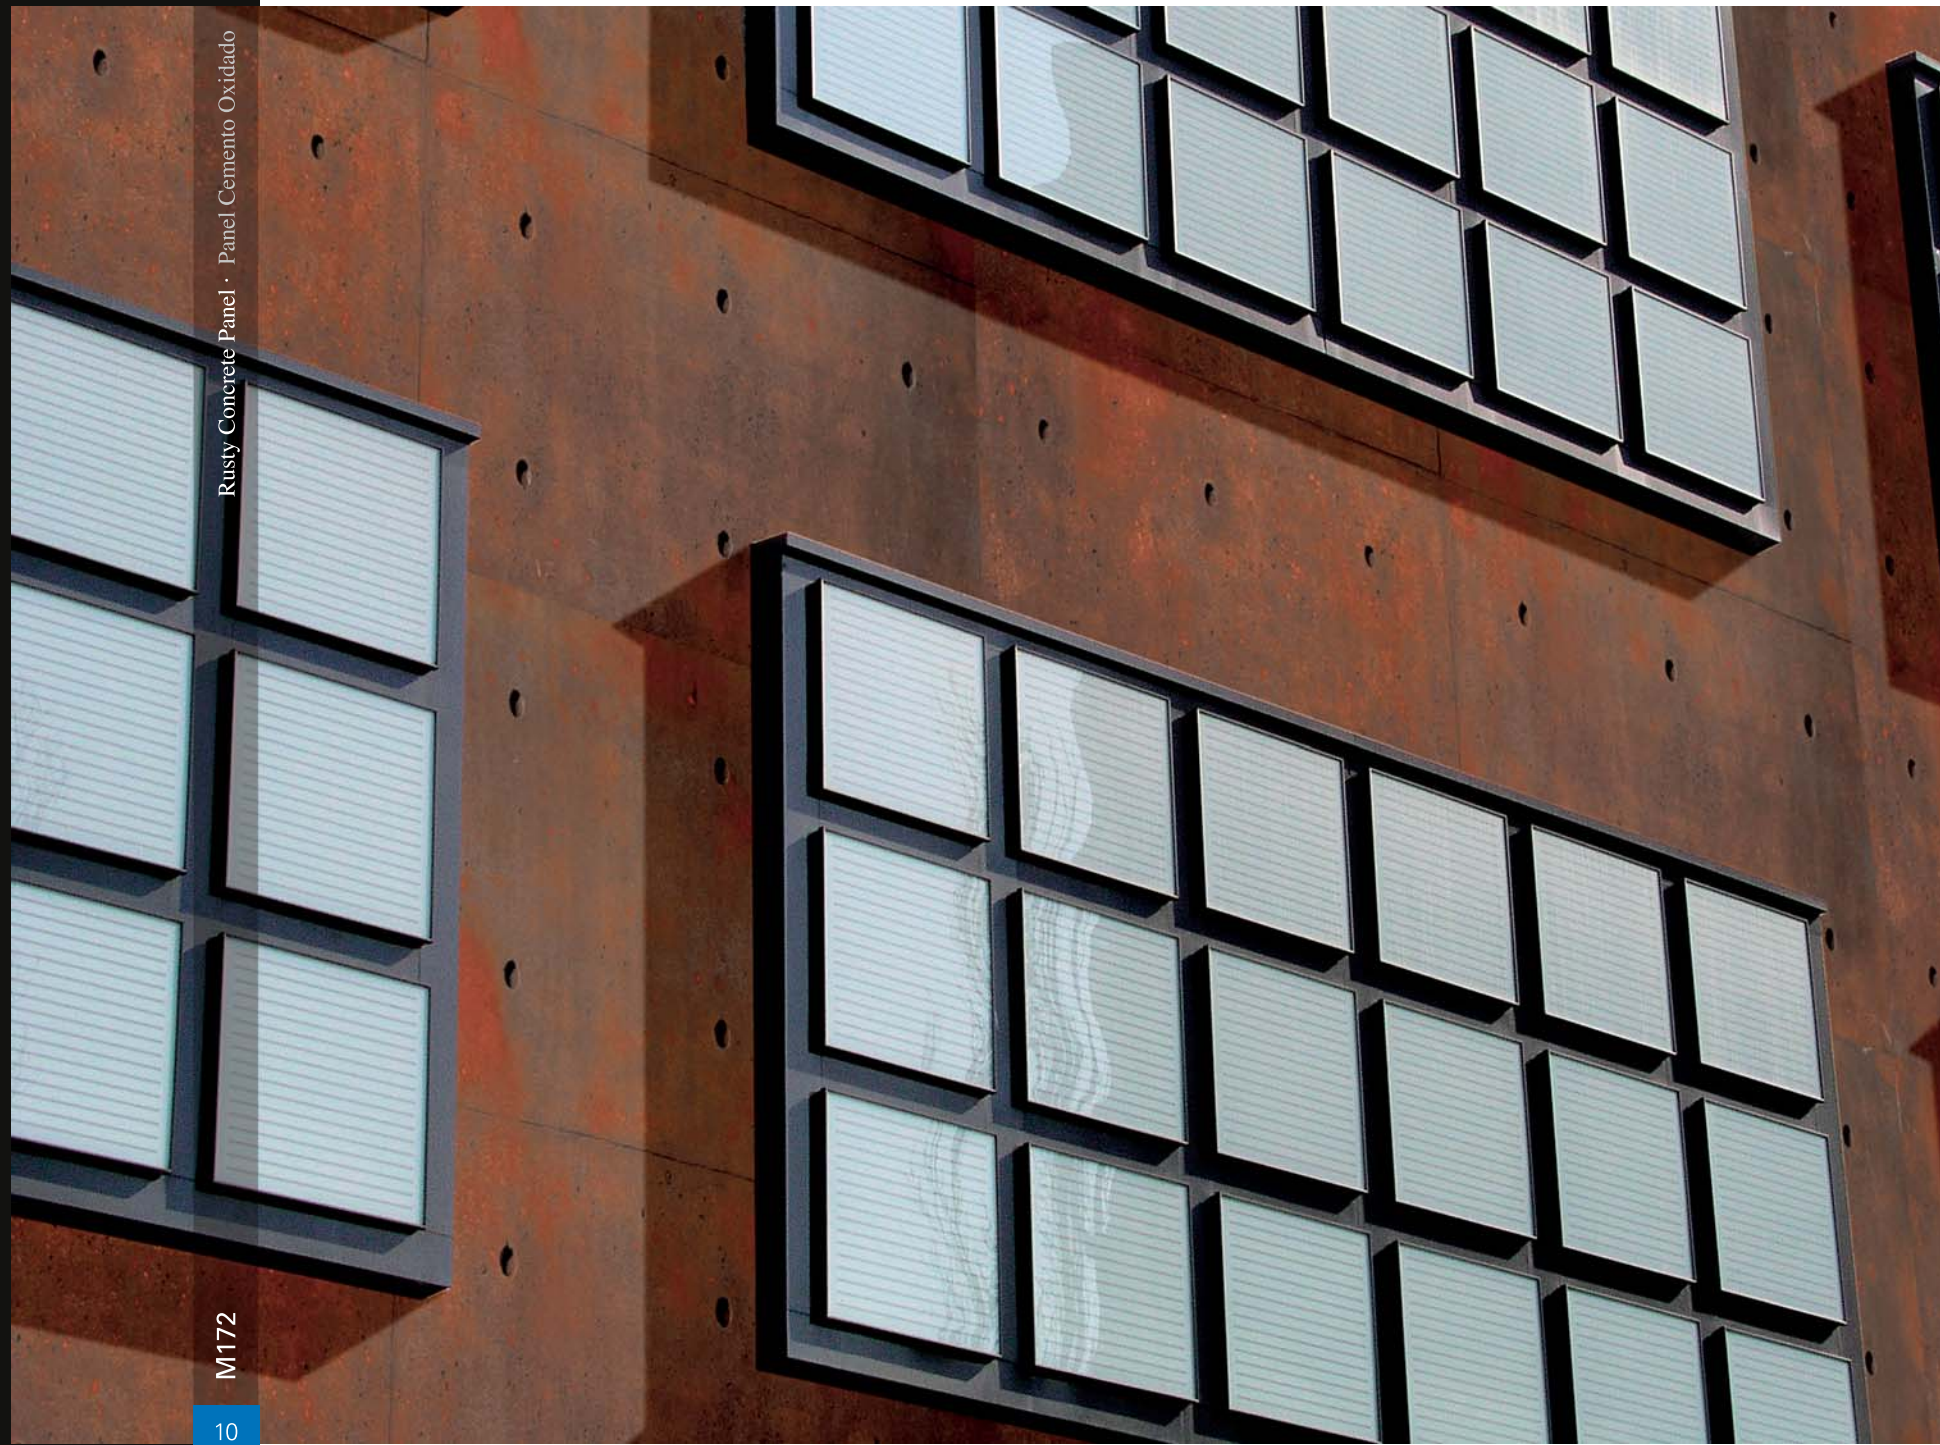

Covering new environments, with last generation materials, beyond our dreams.
Para revestir los nuevos espacios, materiales innovadores, más allá de cualquier sueño.

“Dreams have to be taken very seriously”
Tadao Ando.

“Realmente hay que tomarse muy en serio los sueños”
Tadao Ando.

TOTALDesign,

is a strong bet on design and techniques. You have to know the characteristics and its qualities to discover that there are no limits.

“Many people never make mistakes because they never place reasonable aims”

Goethe.

TOTALDesign,

es una apuesta fuerte por el diseño y la técnica. Hay que conocer sus características y sus cualidades para descubrir que no hay límites.

“Muchos hombres no se equivocan jamás porque no se proponen nada razonable”

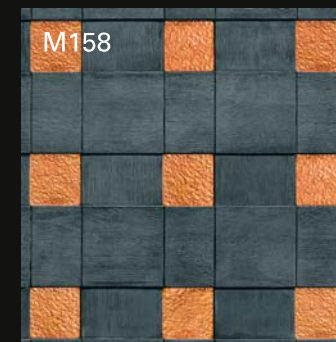

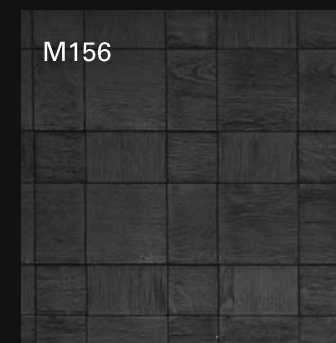

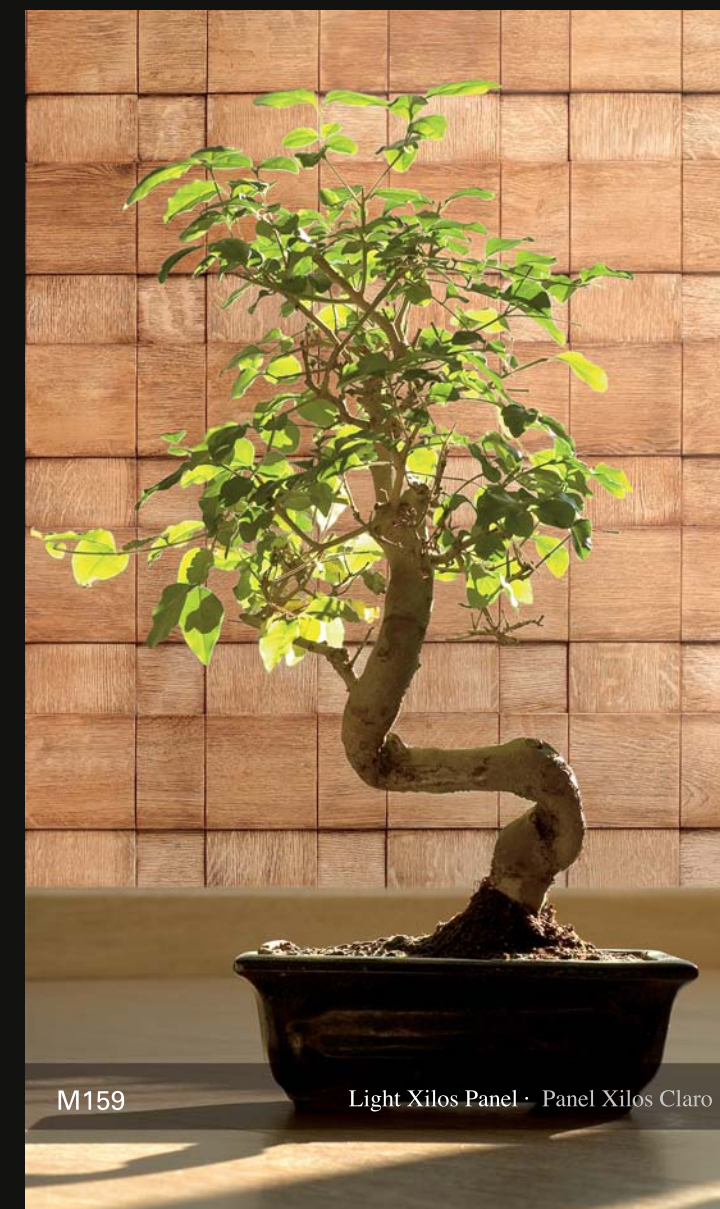

Goethe.
